

FREEPORT EAST | SKILLS ESCALATOR

Freeport East harnesses the economic opportunities for our region as home to the UK's busiest container port.

From Felixstowe and Harwich, to Ipswich and Gateway 14 at Stowmarket, the major UK road, rail and maritime freight hub on our doorstep opens up excellent careers and business growth potential across many sectors.

The four colleges and two universities in the Freeport East Skills Escalator project will engage thousands of businesses, students and employees in the Freeport East area with an ambitious programme of events, resources and training.
