

Is this right for you?

HERE IS WHAT SOME OF OUR PAST STUDENTS SAID AT ONE OF OUR TRAINING CENTRES ...

"I left school with no qualifications and the Work and Study programme helped me get the maths and English I needed to get onto a College course."

"I was NEET and not sure what to do next – the ToolShed Work and Study programme really helped me improve my qualifications and I am now in full-time work."

"I was a school refuser because of my anxiety – the ToolShed Work and Study programme help me to strengthen my confidence to leave the house and get my English and maths qualifications."

This is a Free Course for 16 to 19 year olds

Come and meet us to see if it is right for you!
