

Lost heirs? Unclaimed assets?

We are a well-established probate research firm, with our roots in professional genealogy and founded in the 1970s on the values of accuracy, decency, confidentiality and – above all – integrity. Our headquarters are located in Ipswich town centre.

We are keen to hear from people who believe their transferable skills will enable them to enter the exciting world of probate genealogy and who possess the abilities and qualities that differentiate Anglia Research from 'heir hunters'.
